### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The art of record fail to teach or suggest a surgical instrument having flexible tube control element secured to a handle assembly having a stationary member and a linear translatable lever coupled to the control element; wherein movement of the lever effect the control element. The handle further including a spring to bias the lever away from the stationary member and a system that lock the lever when it is moved against the spring bias. Even further a rack and pinion system that allows linear translation movement of the lever member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
